

A LEGACY OF giving

On November 20, 2008, Benold's Jewelers held its annual holiday party and honored A Legacy of Giving as the beneficiary. Benold's donated a \$3,000 shopping spree that was raffled off to participating Austinites, with 100% of raffle ticket proceeds going to A Legacy of Giving. In addition, 20% of jewelry sales during the event were donated to the organization. The festive evening created the opportunity for guests to learn more about A Legacy of Giving, understand program successes and offer their personal support. Benold's has served as a kind and generous community partner supporting A Legacy of Giving's mission. All associated with A Legacy of Giving are extremely grateful for this special holiday gift.
