

GET TO KNOW THE AUSTIN COMMUNITY FOUNDATION:

- The Austin Community Foundation's mission is to promote philanthropy in Austin and Central Texas.
- The Foundation has grown from an initial gift of \$30,000, which created the Foundation in 1977, to assets of more than \$100 million.
- Our goal is to bring efficiency of scale to donors, allowing their charitable dollars to go as far as possible toward improving life for all Central Texans
- We currently manage over 750 individual, family, corporate and non-profit funds.
- People from all walks of life have contributed to these funds for charitable works.
- We have extensive experience working with school funds of all kinds including endowments, scholarships, athletics and special projects.
- The Austin Community Foundation is here for good and forever.

SCHOOL ENDOWMENT FUNDS

giving back.

CELEBRATING  30 YEARS OF GIVING BACK
austin community foundation

“Setting up a fund with the Austin Community Foundation was the perfect solution for us.

It enables us to receive donations year-round and helps provide a permanent margin of excellence for Austin High.”

- Debbie Hanna, Austin High PTSA President

ALL SCHOOLS NEED A SCHOOL ENDOWMENT

Public, private and parochial schools can all benefit from charitable contributions to supplement their main sources of operational revenue. Whether schools depend on public funding, tuition payments or other fees to support core operations, additional support can always make a difference.

Schools that create an endowment fund create an innovative and useful tool to appeal to supporters interested in supplementing core budgets. Endowment fund income can be used for the widest possible range of activities—from purchases of new technology and teacher supplies, to career centers, library materials, awards and extracurricular activities.

The Austin Community Foundation is an experienced, supportive and responsive partner for schools committed to creating school endowments created to benefit current and future generations of students.

ADVANTAGES OF A SCHOOL ENDOWMENT THROUGH THE AUSTIN COMMUNITY FOUNDATION

Simple...It can take less than an hour to create a fund in the Austin Community Foundation. Once the fund is created, private and corporate citizens can make donations year-round through the Foundation by simply identifying the fund's name and sending the donation to the Foundation.

Flexible...The Foundation will work individually with each school to create and manage a fund that meets the schools needs.

Evolving...The Austin Community Foundation is here for the long haul. We have worked hard to meet the changing needs of our community for more than 30 years. Contributions to an endowment fund will enable your school to have the financial independence to face the challenges of tomorrow with the help of funds raised today.

Efficient...A fund with the Austin Community Foundation pays no tax on investment income and is covered under the Austin Community Foundation's Informational Tax Return. That means there is no investment or tax-related paperwork involved with the fund.

Secure...Our funds are professionally managed and have a strong history of growth. The Foundation's assets have grown substantially, to more than \$100 million, since its creation. In addition, the fund will be administered by the expert staff at the Foundation—offering continuity despite changes in PTA leadership.
